RE: Meeting with Mr. Eldred M. Garrick, Western Clay Company (WCC),
M/015/061, Emery County, Utah

This memo is to document a meeting with Eldred M. Garrick, consultant for Western Clay Company. Those attending from the Division were Lynn Kunzler, Wayne Hedberg and Travis Jones.

The Division sent a review letter to Mr. Garrick regarding WCC's draft NOI on May 26, 1994. Mr. Garrick requested this meeting to discuss the review letter so his response would adequately address the Division's comments/concerns.

We discussed each of the Division's comments with Mr. Garrick. At Mr. Garrick's request we made several photocopies of maps from another mine plan to provide examples for Mr. Garrick. We also provided an example of a surety estimate at his request.

Mr. Garrick will be out of state for a few weeks and will begin working on a response when he returns.
